## Parent Teacher Organization

## 2014-2015 Corporate Partner Levels & Benefits

Thank you for your support of The School at St. George Place. We are quietly nestled in the St. George Place neighborhood on Hidalgo Street between Yorktown and Chimney Rock. Due to our Galleria location we have the distinct advantage of drawing students from various neighborhoods in our surrounding areas.

Our school has recently been named an official International Baccalaureate (IB) school and is comprised of a very diverse student population. Our students represent over twenty-seven (27) home languages alone! Our classes begin in Pre-Kindergarten and go through 5th grade. All of our teachers are certified by the State of Texas and are Gifted and Talented and English Second Language (ESL) certified as well.

Your corporate sponsorship and donation to the Parent Teacher Organization (PTO) will enable us to support the students, faculty and staff at the School at St. George Place in their academic endeavors.
